

## Three great ways to celebrate.

Consider this a starting point. Getting creative is kinda what we do...

### Nonprofit Event

The sky is the limit for nonprofits at Happy Raptor. From public fundraisers to private rentals, we work hard to reduce the rental red-tape so you can focus on your mission.

### Private Event

Take some space for your family and friends. Whether we're shutting the whole place down, or simply reserving the patio, this is the comfort zone for all those big personal celebrations.

### Private Happy Hour

No frills, just something special for you and your krewes. Reserve the patio for your bachelorette bar hop or let us save you a table and a cold drink for the big game.
